Homepage

Welcome to Space Coast Headlight, your destination for up-to-date data on the Space Coast area! Here on the homepage, you can choose from the different data categories in the menu bar to explore economic, demographic, and social data for the area.

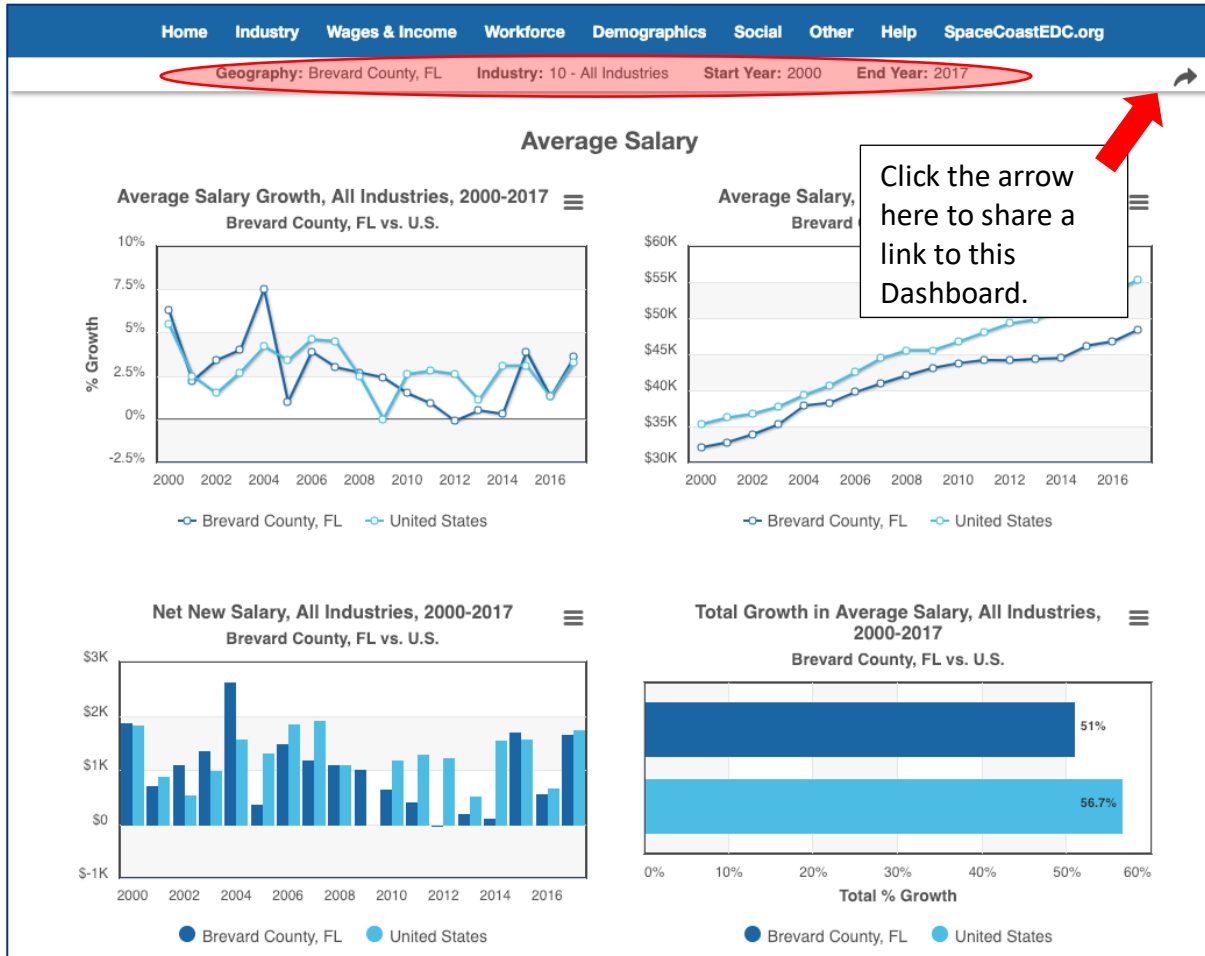

Let's try clicking into a data category to see how it works. Let's use "Annual Salary" for our example.

Data Dashboards

We call this page a Dashboard and each Dashboard will have a number of Graphs related to the data topic you choose. Below, you can see data for “Annual Salary” for the Space Coast of Florida.

You can change the Graphs by using the **Filter bar**, underneath the menu bar, circled above and shown below. You can filter to look at a specific location, industry and change which years the data will display.

Geography:

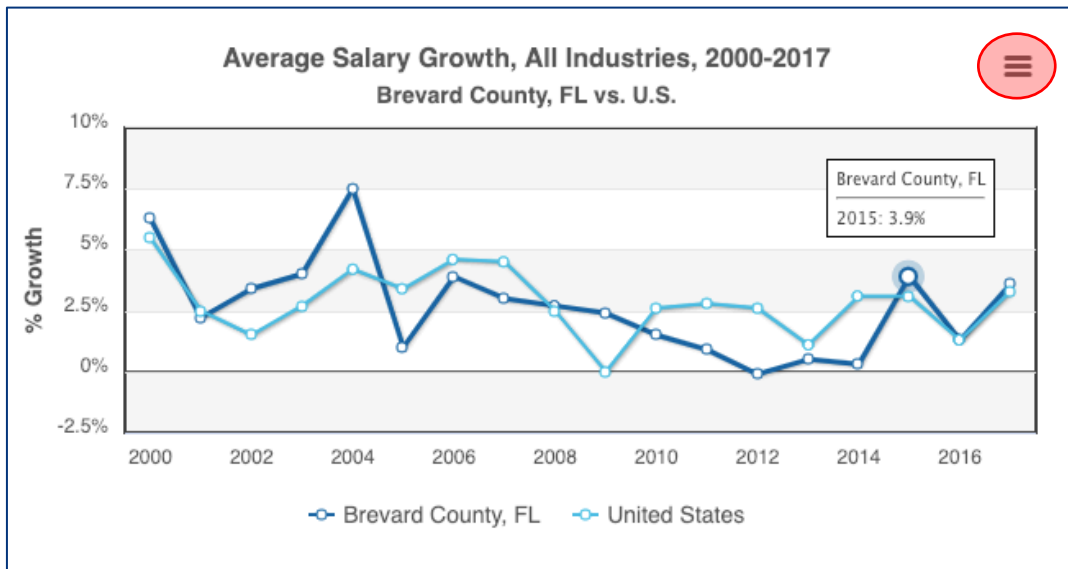

Industry:

Start Year:

End Year:

Graphs

Below is the top-left Graph from the Annual Salary Dashboard above. By hovering over the Graph, you can get more detailed information about the Graph itself.

Click on the three lines (the “hamburger icon”) in the upper right-hand corner to see different options for downloading and to print the Graph. You can see those options below.

“Other” Tab

By choosing “Other” in the menu bar, you can access some special content.

Data Download will allow you to download large amounts of data in Excel or CSV formats.

Data Download

To change a metric, select a Metric in the left dropdown. Then adjust all subsequent dropdowns to the right. When the Submit button appears, all dropdowns have been selected properly. Click the Submit button twice to activate the update.

To download data, click inside the data table to select it. Then, click the download button in the bottom-right corner of the dashboard and select "Crosstab" to download the data in the table format shown below.
